

WEDDINGS

# Welcome

Welcome to The Hidden Barn at 94, a beautiful venue set in the heart of Knutsford on iconic King Street. We are proud to be Cheshire's most hidden and most exciting wedding venue and our history and unique style will be sure to wow your guests and have them talking about your wedding for years to come.

The Hidden Barn is a 17th century grade II listed building that seamlessly blends the traditional charm of a wooden beamed barn wedding venue with luxury touches such as an open fire place, an upstairs snug and two fully stocked bars.

Split across two levels with a beautiful external courtyard, our Cheshire wedding venue is the perfect place to host your loved ones for your special day.

Our hidden wedding barn seats up to 100 guests for a sit down meal with space for an extra 50 guests to dance the night away.

The flexibility of the mezzanine level means that intimate weddings can stay intimate and bigger weddings can spread out.

Make our space your own and let our team help you plan your dream day.

# Your Dream Cheshire Wedding

We want you to have your special day the way you want and we want you to have the freedom to choose your own caterers and suppliers. We have a list of suppliers that we recommend and have worked with however you are not tied to those, the decision is yours! Do your friends and family have a favourite tippie? We offer you the choice of stocking our bars with the drinks of your liking to help your guests have a night to remember.
